

Travel

You will find travel information, by rail, by road and by air on the university map.

Getting a Taxi from the Station – If you plan to take a taxi from the station you should ask for Coventry University on Jordan well or ask to be taken to the Herbert Art Gallery, which is a short walk from the Graham Sutherland building. The University is a large campus and some taxi drivers need more information.

Car Parking

There is very limited visitor parking at the university, however there are plenty of public car parks around the university and in the city itself. Some of which you will find highlighted on the map, the nearest public car park to the Graham Sutherland building is located across from Coventry swimming baths and sports centre, Fairfax street.

Other public car parks include:

Salt Lane Surface Car Park
Greyfriars Ln

New Union Street Car Park
New Union St

Barracks Car Park
Barracks Way,, Barracks Way

Gosford Street Car Park
Gosford St
